

COVID-19 Coronavirus

Post-test Instructions

Seek medical attention immediately if you develop any of the following emergency warning sign for COVID-19:
 Extremely difficult breathing, Bluish lips or face, Constant pain or pressure in the chest, Severe constant dizziness or lightheadedness, Acting Confused, Difficult to wake up, Slurred speech (new or worsening), New seizure or seizures that won't stop

TIMELINE

Immediately After Test

Note the date, time, and location of when and where your test was completed for your personal records.

Date: _____
 Time: _____
 Location: _____

48-72 Hours After Test

Your results should be available 48-72 hours from the time lab receives the specimen. This can take 1-2 days. If you have not received your results within **72 hours**, please send a message to covid19help@honumg.com or call (855) 873-6996. Please provide your legal name and DOB.

72 Hours+

If it has been 72+ hours and you have reached out to the Helpline, trust we are working to secure your results as quickly as possible.

We encourage you to set up a telehealth consult with a physician to monitor any symptoms you may be experiencing while you wait for your result.

RETRIEVING YOUR RESULTS

Email Sent to Email on File

Once your results are ready, you will receive an email with a link to retrieve your results and an SMS text message. This link will be live for 48 hours.
